"Wish Upon a Calligraphy did our wedding stationery and we could not have been happier with the service they provided. They were so professional and the attention to detail was superb.

It was amazing to see the digital mock-ups come to life when we received our table plan, menus, name place and table name cards in the post. I'd highly recommend this supplier and cannot thank Nil and the team enough! We feel so lucky to have found you, you are incredibly talented!!"

- Lucinda and Simon

“From start to finish Nil was absolutely incredible. From taking my vision and creating something absolutely beautiful, to the special requests I made for cocktail signs and pictures, nothing was too much trouble. You absolutely contributed to making my day perfection! The table, accompanied with your stationary was everything and more that I could have hoped for and you had a huge part to play in that! Cannot thank you enough for you and your stunning stationary. You are unbelievably talented and I cannot recommend you enough!”
